

## #eHealth2020 International Conference

The 25<sup>th</sup> Finnish National Conference on Telemedicine and eHealth

30 September – 2 October 2020 | Cruising Conference Helsinki-Stockholm |  
Finland | Sweden

Suomen Telelääketieteen ja e-Health seura  
Finnish Society of Telemedicine and eHealth

**SILJA LINE** 

## **#eHealth2020 International Conference** **The 25<sup>th</sup> Finnish National Conference on Telemedicine and eHealth**

**30 September – 2 October 2020 | Cruising Conference Helsinki-Stockholm  
Finland | Sweden**

Conference will cover themes from updating the knowledge about  
International and Nordic eHealth trends and solutions.

The program is aimed at health care professionals and service providers as well as researchers in eHealth area.

Conference offers unique meeting place and new information to physicians, nursing staff as well as to responsible persons for management, planning and education. Top quality international keynote lectures are accompanied by up-to-date scientific abstracts.

Conference includes parallel English and Finnish tracks as well joint plenaries

*Conference will contribute 10 hours of theoretical training for Finnish physicians' and dentists' special competence for healthcare information technology. It will also contribute 5-10 hours (depending on medical speciality) of theoretical training in the specialist training for Finnish physicians (Acceptance applied from University of Oulu).*
